VI. New Business

Chad Walton from ING explained the options for Savings Accounts for the Conference and Scholarship monies.

A motion has been made and seconded that the money returned to IWOT from the conference account currently with Huntington be moved to an ING Orange Savings account and the \$1,250 Scholarship Fund monies be moved out of the Huntington checking account to a separate ING CD account and the interest earned from the conference account go into the scholarship account. Since both items are related to ING, only one motion is needed. The motion was discussed and put to the general membership for vote and motion passed.
